Dr. Hauschka

Unique Glow

The enchanting everyday look.

Start by preparing your complexion with the appropriate Dr. Hauschka Foundation for your skin tone. For a bright and refreshing look, apply **Light Reflecting Concealer** to the inner corner of the eye and blend in.

1. Apply **Eye Definer 05** to the upper and lower eyelid edges and softly smudge with the applicator.

2. Gently dab **shade 04** from the **Eyeshadow Palette** over the soft contours of the Eye Definer.

3. Apply **shade 01** from the **Eyeshadow Palette** to the slightly indented area at the inner corner of the eye and blend outwards.

4. Apply **shade 02** from the **Eyeshadow Palette** to the curved arch of the eyelid fold.

5. Highlight the area below the eyebrow with **shade 01** from the **Eyeshadow Palette** and blend.

6. Accentuate the eyebrows with shades from the **Eye & Brow Palette** and shape them with **Brow & Lash Gel**.

7. Use **Bronzing Powder** to add definition to the cheek area. For a delicate, flattering shimmer, apply a little **Illuminating Fluid** to the highest point on the cheeks, gently working it into the skin.

8. Dab the **Lip Crayon** onto the centre of the lips, using your fingertip to blend it in, and then apply **Lip Gloss 01** to the entire lips.

*Limited Edition

Four Limited Edition products brimming with radiance and charisma.

Bright **turquoise**, shimmering **midnight blue**, pink and light grey are the dominant colours in the Limited Edition Deep Infinity make-up collection.

The shades of the **Eyeshadow Palette** use depth and contrasts to make eyes of any colour shine.

Apply the sparkling **turquoise Volume Mascara** to the eyelash tips, or the full lashes, for the perfect

highlight.

The delicately shimmering **Illuminating Fluid** gives the complexion a wonderfully fresh finish. The intense rose wood shade of the **Lip Crayon** adds a silky shine to the lips.

The Limited Edition Deep Infinity is only available for a short period of time and complements the rest of the Dr. Hauschka Make-up range.
